

# NEW PRODUCT!

# 200 SQPB

EBARA Self Priming Pump

## FEATURES

- No priming is required excepting for initial use.
- Special designed casing provides very rapid priming for extended piping.
- Maintenance is facilitated due to packing type.
- Water mixed with a little sand or mud can be pumped up due to semi - open impeller design.
- Easy installation with engine for belt driven due to c.c.w rotation.

## APPLICATION

## PERFORMANCE CURVE
